Ah Tish Inanna

By Serpent Circle

Ah tish Inanna, the dew is on the grass
Spirits of the ancients
We are children of the past,
The one breath that creates us
Is the one breath we all take
Makes a rainbow 'round the world
From the love that we all make
Hey, hey oh (6X)

(The) Earth, The Air, The Fire, The Water

The earth, the air, the fire, the water:
Return, return, return, return
The earth, the air, the fire, the water:
Return, return, return, return.
Aye ay aye ay aye ay aye ay: Aye oh aye
oh aye oh aye oh
Aye ay aye ay aye ay aye ay: Aye oh aye
oh aye oh aye oh

I Have The Power

Lyrics: Denise Morris & Nicky LeBlanc
Music: Alice Spencer

I have the power—
Of the God,
And Goddess in me
I have the power —
Of the Elements
In me
I have the power —
of community with me
And with this power,
I change myself
And the world to be

One Spirit In the Dark

By Spiral Rhythm

One spirit in the dark
Like a candle wavers
Many spirits joined as one
Burns with the
power of the blazing sun
There is strength in community
A circle empowering you and me
The circle binds yet sets us free
In the Goddess name so mote it be

Back to my bones back to my skin
Back to my spirit the fire within

Standing Like a Tree

Standing like a tree
With our roots down deep
And our branches wide and open
Down comes the rain
Out comes the sun
Down comes the love
And our hearts that are open to be

Step Into The Flow

I step into the flow and
Then I let it go.
I open my mind, my heart and my soul
I surrender (3X)
I open my mind, my heart and my soul

We All Come from the Goddess

We all come from the Goddess
And to her we shall return
Like a drop of rain
Flowing to the ocean

Ostara Fireside Chants

Battle Hymn of the Resistance

By Gwendolyn Reece ©

When we rise up and claim our power
The Good, it cannot fall.
We take up the shield of service
To defend the rights of all.

[Chorus]

*We hear the call of duty.
We heed the Spirit's Light.
We stand firm in compassion,
And work to set things right.*

We defend the Constitution,
Rule of Law across the land.
When blind Justice, She is threatened
We will not let it stand.

[Chorus]

*We hear the call of duty.
We heed the Spirit's Light.
We stand firm in compassion,
And work to set things right.*

We tend the Hearth of Kindness,
Soul of Democracy.
Welcome tired, poor, huddled masses
Yearning to breathe free.

[Chorus]

*We hear the call of duty.
We heed the Spirit's Light.
We stand firm in compassion,
and will make things right.*

And work to set things right.

Our Healer's Cup we offer
To all souls who have need.
We work to heal our nation
Of hatred and of greed.

[Chorus]

*We hear the call of duty.
We heed the Spirit's Light.
We stand firm in compassion,
And work to set things right.*

Our visionary garden blooms
With dreams we bring to birth,
Of what society can be
If we dare to love the Earth.

[Chorus]

*We hear the call of duty.
We heed the Spirit's Light.
We stand firm in compassion,
And work to set things right.*

So rise up and claim your power
Together we will grow.
See America as we should be
And we will make it so.

[Chorus]

*We hear the call of duty.
We heed the Spirit's Light.
We stand firm in compassion,
and will make things right.*
